## Physician Discount

Many NetworkBlue physicians offer BlueOptions members a rate which is at least 25 percent below the usual fees charged for services that are **not Covered Services** under your health plan. By taking advantage of this discount, you get the care you need from the doctor you trust. However, Florida Blue does not guarantee that a physician will honor the discount. Since you pay out-of-pocket for any non-covered services, it's your responsibility to discuss the costs and discounted rates for non-covered services with your physician **before** you receive services. 'Physician Discount' is not part of your insurance coverage or a discount medical plan. For more information, please refer to the online Provider Directory at [floridablue.com](http://floridablue.com).

This does not constitute a contract. For a complete description of benefits and exclusions, please see the Florida Blue BlueOptions Benefit Booklet and Schedule of Benefits; its terms prevail.
